Piotr Peszat | Grocery Store Music #5 | 2018

for chamber ensemble and audio playback

Tech Rider

- quadrophonic sound projection (with good bass)
- 6-channel audio interface
- wire or wireless click-track for conductor (or for all musicians in the case of performance without a conductor)
- amplification of the whole ensemble (flute x1, b.cl. x1, perc. [1 wood block (small size), suspended cymbal (large size), 2 thai gongs (pitches f#1 and a1 nat.), vibraphone] x2/3,
- pno. x2, vn. x1, vla. x1, vc. x1)

Two stereo audio playback files (48.000 Hz / 24 bit) are played through the whole piece. Files as well as performing materials are available under the following link: https://www.dropbox.com/sh/an1bt28zi9lscz8/AACUZrMPG9GaGY9Ta4vHS2ONa?dl=0.
